Michigan Lifeline Administration Service Lifeline Household Worksheet

Lifeline Program support is a federal benefit that provides a monthly discount on home phone (i.e., landline phone) or cell phone service. **Only one Lifeline Program-supported service per household** is allowed under Federal law. Answer the questions on the following page to determine if there is more than one household living at your address, and if your household already receives a Lifeline Program benefit.

Providing false information on this form may result in losing your Lifeline Program-supported service and possible criminal penalties.

CONFIDENTIAL

Your household is everyone who lives together at your address and contributes to, or shares in, the income and expenses of the household. Household expenses include food, health care expenses, and the cost of renting or paying a mortgage on your place of residence and utilities. Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Members of a household are not permitted to receive more than one Lifeline Program-supported service. You are receiving a copy of this form because records indicate that more than one person at this address is receiving a Lifeline Program benefit. Each person at this address who receives a Lifeline Program benefit and has not yet completed and returned a household worksheet will receive a copy of this form, pre-populated with his/her name, address and telephone number.

If you DO NOT share income and expenses with the other adult(s) living at this address who receive Lifeline Program benefits, or there are no other adult(s) living at this address receiving Lifeline Program benefits, you **MUST STILL** sign this form to continue to receive your Lifeline Program benefit. If you fail to do so, you will be de-enrolled from your Lifeline Program benefit.

If you live with another adult(s) who shares income and expenses with you and who has a Lifeline Program benefit on his or her phone service, your household is receiving more than one Lifeline Program benefit. If so, you **MUST** take the following steps: (1) consult with the other adult(s) in your household currently receiving a Lifeline Program benefit and decide who will keep the Lifeline Program benefit for the household; and (2) the person who will keep the Lifeline Program benefit, AND ONLY THAT PERSON will fill out the form IN FULL and return it to his or her telephone service provider within 30 of days of the date of this communication. The telephone number listed on this form will be the number which will retain the Lifeline Program benefit.

If the PERSON IN YOUR HOUSEHOLD WHO WISHES TO KEEP THE LIFELINE PROGRAM BENEFIT FOR THE ENTIRE HOUSEHOLD HAS ALREADY PROVIDED a household worksheet to their service provider, then NO FURTHER ACTION IS NECESSARY. (The person named below does not need to sign and send this form to their Lifeline provider).

After 30 days of the date of this letter, all other subscribers at this address below who have not completed a household worksheet will NO LONGER have a Lifeline Program benefit.

**Independent Auditor's Report on Compliance with Aspects
of Contractual Agreements and Regulatory Requirements
For Telecommunications Borrowers**

To the Board of Directors
Bloomingdale Telephone Company, Inc. and Subsidiaries
Bloomingdale, Michigan

CONFIDENTIAL

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Bloomingdale Telephone Company, Inc. and subsidiaries, which comprise the balance sheet as of December 31, 2016, and the related statements of income, stockholders' equity and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 3, 2017. In accordance with *Government Auditing Standards*, we have also issued our report dated April 3, 2017, on our consideration of Bloomingdale Telephone Company, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. No reports other than the reports referred to above and our schedule of findings and recommendations related to our audit have been furnished to management.

In connection with our audit, nothing came to our attention that caused us to believe that Bloomingdale Telephone Company, Inc. failed to comply with the terms, covenants, provision, or conditions of their loan, grant, and security instruments as set forth in 7 CFR Part 1773, *Policy on Audits of Rural Utilities Service Borrowers*, §1773.33 and the clarified RUS policy memorandum dated February 7, 2014, insofar as they relate to accounting matters as enumerated below. However, our audit was not directed primarily toward obtaining knowledge of noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding Bloomingdale Telephone Company, Inc.'s noncompliance with the above-referenced terms, covenants, provisions or conditions of the contractual agreements and regulatory requirements, insofar as they relate to accounting matters. In connection with our audit, we noted no matters regarding Bloomingdale Telephone Company, Inc.'s accounting and records to indicate that Bloomingdale Telephone Company, Inc. did not:

- Maintain adequate and effective accounting procedures;
- Utilize adequate and fair methods for accumulating and recording labor, material and overhead costs, and the distribution of these costs to construction, retirement and maintenance or other expense accounts;
- Reconcile continuing property records to the controlling general ledger plant accounts;

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a deficiency in internal control described in the accompanying schedule of findings and responses that we consider to be a significant deficiency in internal control.

- **Criteria:** Complete segregation of duties and a formal risk assessment process are essential in maintaining internal controls over financial reporting and managing the information technology system of the Company.

Condition: The Company's limited resources and personnel do not allow for complete segregation of duties or a formal risk assessment and monitoring system.

Cause: The company has a limited number of personnel and it therefore is not able to dedicate the required resources to maintain complete segregation of duties or prepare formal risk assessment and monitoring systems.

Effect: Due to the lack of a formal internal control and information technology system and segregation of duties, there is a potential for an employee to perpetrate and conceal a theft of assets from the Company.

Recommendation: Complete segregation of incompatible duties in the accounting department may not be possible at the current staffing levels. Management and those charged with governance should be aware of the limitations of the internal control system as currently implemented and should remain alert for opportunities to improve the segregation of duties through the reallocation of duties or reassignment of responsibilities.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Company's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Management's Response to Findings

Significant Deficiency: The Company periodically performs an informal risk assessment and monitors the business risk associated with the assignment of personnel to various activities.

The Company's response to the findings identified in our audit is described in the accompanying schedule of findings and responses. Management's response was not subjected to the auditing procedures applied in the audit of the consolidated financial statements and, accordingly, we express no opinion on it.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

CONFIDENTIAL

Opinion

In our opinion, based on our audit and the report of the other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Bloomingdale Telephone Cooperative, Inc. and subsidiaries as of December 31, 2016, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 3, 2017, on our consideration of the Company's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

Prior Year Audited by Other Auditors

The 2015 financial statements were audited by other auditors and their report thereon, dated March 12, 2016, expressed an unmodified opinion.
